Travel to Kansas City Marriott Downtown

1:45 PM – 2:30 PM

Working Lunch*Kansas City Marriott Downtown – Andy Kirk Meeting Room***Session #3: Stadium Security – Drones & SAFETY Act***Kenneth Edmonds, VP, NFL Public Policy & Government Affairs*

Discussion of how counter-drone authority safeguards large scale events such as the Super Bowl. In 2022, the Biden Administration published a whole-of-government approach to countering drones and keeping fans safe from drone incursions. This plan was introduced as bipartisan legislation in the Senate and passed out of the Senate Homeland Security Committee on a bipartisan basis. While the legislation was not enacted in 2022, Congress did act to ensure that the Department of Homeland Security's and Department of Justice's current counter-drone authorities were extended for an additional year, allowing federal law enforcement to provide drone protection during Super Bowl LVII in Arizona. Discussion will include potential legislative framework to counter threats posed by the illicit use of unmanned aircraft systems, particularly those that may jeopardize the safety and security of large-scale sporting and entertainment events.

SAFETY Act:

Discussion on the importance of the SAFETY Act in keeping fans safe. For FY2023, Congress enacted a 30 percent increase in funding for the Office of SAFETY Act Implementation, which will help address the backlog of SAFETY Act applications including those for NFL stadiums. The enacted FY2023 spending bill also requires the creation of an online dashboard that will create greater transparency for pending SAFETY Act applications. Discussion will include long-term solutions to ensure coverage does not lapse during future delays and while this current backlog is addressed, including long-term authority for DHS to extend SAFETY Act coverage should an application for renewal be delayed.

Session #4: Ticketing Reform*Jonathan Nabavi, VP, NFL Public Policy & Government Affairs*

Discuss the effects of ticketing reform and ticketing practices. On January 24, 2023, the Senate Judiciary Committee held a hearing on the recent Live Nation Entertainment/Ticketmaster Taylor Swift

ticketing issues, sending a strong signal that reforms to the ticketing industry will be a priority for lawmakers in the 118th Congress. Proposals at both the state and federal level include provisions that would benefit fans and live events.

Session #5: 1099-k

Brendon Plack, SVP, NFL Public Policy & Government Affairs

Provide an overview of the impact of the change in the 1099 reporting threshold and how it could affect consumers and fans. The American Rescue Plan of 2021 lowered the 1099-k reporting threshold from \$20,000 and 200 transactions to \$600 and no transactions for 2022, which the IRS recently delayed to 2023. This change may affect season ticketholders and other fans who resell over \$600 of tickets per year. Will include discussion of a permanent solution that would raise the threshold and reinstate a minimum level of transactions.

Legislative Briefings – Part Two

Kansas City Marriott Downtown – Andy Kirk Meeting Room

Session #6: Draft Eligibility and Federal NIL Legislation

Arthur McAfee, SVP, NFL Football Pipeline Development

Addressing potential Name, Image, and Likeness (“NIL”) legislation, including the 3-year rule, as well as the NFL Draft process. While no federal NIL bill was enacted in 2022, strong bipartisan interest remains in this issue. Congressional hearings are expected in 2023 with legislative proposals to follow those hearings. Also includes discussion of the league’s collectively-bargained eligibility rules and the league’s methodical process around Draft.

Session #7: Community Relations & Economic Impact

Alexia Gallagher, VP, NFL Community Relations

Provide insight on how the league’s tentpole events, such as the Super Bowl, Pro Bowl, and Draft, benefit and support communities throughout the United States, nationally and locally. NFL tentpole events, such as the Draft, brings thousands of jobs and tens of millions of dollars in economic activity to a local economy. Additionally, this economic activity generates new Government revenue that would not otherwise be realized if not for the league event.

Session #8: Legalized Sports Betting

Jonathan Nabavi, VP, NFL Public Policy & Government Affairs

Discussion of efforts by Congress and the Department of Justice to identify and pursue illegal offshore sportsbooks that continue to subvert the legal U.S. betting market, and how the NFL protects consumers and ensures the integrity of the game.
